**An Introduction to the Theology of the Body (TOB)**

National Shrine of the Little Flower Parish and Shrine Catholic Schools will host Bill Donaghy, TOB Institute Speaker and Educator, for a unique presentation on John Paul II's remarkable teaching on the human person. TOB opens up the discussion on the Church's teachings on sexuality and marriage, helping many to see, some for the first time, the beauty of God's plan for their bodies.

Bill Donaghy is recognized throughout North America for his wit, wisdom and insight in promoting an integral, Biblical vision of human life, love and sexuality. He serves as a certified speaker and educator for the Theology of the Body Institute, offering presentations for young adults, engaged and married couples, single and consecrated men and women.

Cost for the event is \$15 and includes a workbook.
